

Virginia Wine Country – Discounts, Shipping, Delivery and Curbside Pick-Ups (as of 3/25, prepared by Nancy Bauer, Virginia Wine in My Pocket.com)

As of 3/25, tasting rooms will be closed for Virginia wineries, cideries and meaderies. Most wineries will continue to sell wine via online ordering/shipping, local delivery, or curbside pickup. This information is intended to help Virginia wine enthusiasts continue to support their locally-owned, family-run wineries. It will be updated periodically.

A few things to note:

- Please email, text or Facebook corrections, updates or additions to Nancy Bauer at nancy@vawineinmypocket.com
- Things change constantly – check winery websites or Facebook pages for days/hours before heading out or for more information
- Please **order ahead of time** for curbside pickup so wineries can have it ready to go. (It's a law.)
- Gift certificates are always available if your cellar is full but you'd like to help (the holidays are right around the corner! 😊)
